This is only a summary. Please read the FEHB Plan brochure RI 72-007 that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure.** Benefits may vary if you have other coverage, such as Medicare. Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>\$350 PPO/\$400 Non-PPO Self Only \$350 Individual/\$700 Self Plus One PPO, \$400 Individual/\$800 Self Plus One Non-PPO \$350 Individual/\$700 Self and Family PPO, \$400 Individual/\$800 Self and Family Non-PPO</p>	<p>Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Preventive care, PPO maternity care, PPO professional services of physicians in a physician's office, home health, PPO surgical procedures, inpatient hospital room and board, emergency services/accidents, prescriptions</p>	<p>This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>\$4,000 Medical PPO and Pharmacy Network providers for you or any covered family member combined /\$7,000 Medical Non-PPO for you or any covered family member combined</p>	<p>The <u>out-of-pocket limit</u>, or catastrophic maximum, is the most you could pay in a year for covered services.</p>

What is not included in the <u>out-of-pocket limit</u>?	Premiums, balance-billing charges, healthcare this plan doesn't cover, expenses for dental care, noncompliance penalties	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See compassrosebenefits.com/uhc or call 888-438-9135 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a provider in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
